ALUNO:	
Tempo previsto para a realização: 90 minutos	
Objetivo da aula: Ler, analizar e interpretar um texto. Identificar em um texto a informação principal. Aprender de forma lúdica.	

ATIVIDADES

1-Who is he? Quem é ele? Leia o texto e responda a pergunta sobre a biografia.

Who is he?

He was a German scientis. He was born in 1879.

When he was a Young boy, he became interested in Math.

He was also very good at music. He could play the violin. But he could not speak until he was five years old.

In 1933, he went to the United States and became a university teacher in New York. He changed modern science and became very famous. He got a Nobel Prize in 1921. He died when he was 76 years old.

Obs; áudio e vídeo sobre o texto disponível no grupo de whatsapp do 7º ano.

Bons estudos
